 200 Canal View Boulevard
 Suite 202
 Rochester, NY 14623

session will include Q&A and breaks

3 per person, per session

Practice Management Institute grants CEUs for its certified professionals based on total number of instructional hours (1 CEU per hour of classroom instruction). CEUs may be applied to annual renewal requirements as noted on pmiMD.com.

More than 1,100 new ICD-10-CM codes impacting numerous specialties will debut Oct. 1, 2022. Attend this course for a guided review of the new, revised, and deleted ICD-10-CM codes and updates to the general and chapter-specific guidelines for coding and reporting patient encounters through 9/30/23.

Reliance on EMRs for code selection is dangerous, failure to code to the highest degree of specificity harms reimbursement and utilization statistics. Make sure documentation supports the 2023 updates.

Significant changes in the External Cause of Morbidity codes, Injury Poisoning, and Other Consequences of External Causes; new Z codes focused on Social Determinants of Health, neurology/mental health dementia codes, cardiology, and OB codes; 139 new codes in Chapter 14 Diseases of the Genitourinary System; many new endometriosis codes by site and now depth (N80-)

Medical coders, billers, providers, managers, consultants, and compliance officers are encouraged to attend to learn about the potential impact to your claims and save time by helping you identify any templates or other documents that may need to be updated and/or replaced.

Digital materials are provided. Registrants will receive an email with a link to download the materials approximately 2 days before the training event. An ICD-10-CM code set manual may be helpful to best comprehend the context of the revisions that will be discussed.

FEE: \$199 per person, per session

**3 CEU's | 9:00 am - 12:00 pm EST or 1:00 pm - 4:00 pm EST
Wednesday, October 5, 2022**

Registration form

Keep a copy for your records.

First Name: _____ Last Name: _____
(Additional registrants may be listed on separate page)

Practice Name: _____
