Each year, MCMS acknowledges our dedicated Practice Administrators, Managers and Administrative Support Staff for their service and professionalism. This year has been especially hard on the practices with the Pandemic COVID-19, and even though we cannot have a lunch and program for you, we still would like to recognize you for your dedication to your practice.

Join us from your home for a fun and relaxing Friday afternoon Zoom event to create a beautiful terrarium for your home or office with Kathleen Rullo of Jardin Terrariums!

You will be able to pre-select your choice of terrarium style, sand colors, rock & figurine and your customized "kit" will be ready for your pickup at MCMS offices a few days prior to the event.

MCMS is still working remotely at this time and we do not have daily access to our incoming mail....so we ask that you please follow the direction below and register online by October 26th. After you register we will send you the selection sheet for your terrariums and let you know the pick up times at our new office space.

Practice Manager Appreciation Luncheon, November 6, 2020
