

Date: Thursday, September 28, 2023

Time: 8:00 am—9:30 am

Place: Zoom

How to Protect Information: HIPAA Privacy and Security Training

Learning Objectives:

- Attendees will be introduced to federal requirements that serve to protect a patient's rights to privacy and security of their personal and health information.
- Attendees will be introduced to procedures and practices that should be in place to protect patient information, including the role of the Privacy Officer and Security Officer.
- Attendees will receive an overview of their role and the responsibilities in protecting the privacy of those who services are provided.
- Attendees will receive guidance in general information security best practices and industry-specific security awareness tips and potential threats.

PRESENTERS:

Heather R. Brownson, CHC – Senior Consultant
(hbrownson@bonadio.com)

Heather is a Senior Consultant in the Compliance Solutions Division at The Bonadio Group. She has more than 15 years of experience in healthcare and not-for-profit settings. Heather has held the positions of Director of Quality Assurance, Associate Director of Compliance and Quality Improvement, Employment Coordinator, and Direct Support Professional for organizations regulated by OPWDD and the Department of Health. In addition to her professional background, Heather holds a Bachelor of Science in Special Education and Childhood Education. Heather brings extensive experience in Quality Assurance and Compliance, Incident Management, HIPAA, and policy and procedure development. Heather is a member of the Health Care Compliance Association and is Certified in Healthcare Compliance (CHC).
